

A D N I

PRE-UNIVERSITY

In June 2015, Adni Islamic School introduced the Cambridge International A-Level Programme; henceforth Adni Pre-University was established.

INTEGRATED HOLISTIC EDUCATION SYSTEM (IHES)

Here at Adni Pre-University, our Integrated Holistic Education System (IHES) prepares our students with education for life; equipping them with reasoning and thinking skills, values based on the Qur'an and Sunnah, as well as grounding in content area for a successful progression into tertiary studies.

IHES is focused on outcome-based learning; emphasizing the immersion of knowledge, character building, enhancement of skills and competency, academic achievement and application in life

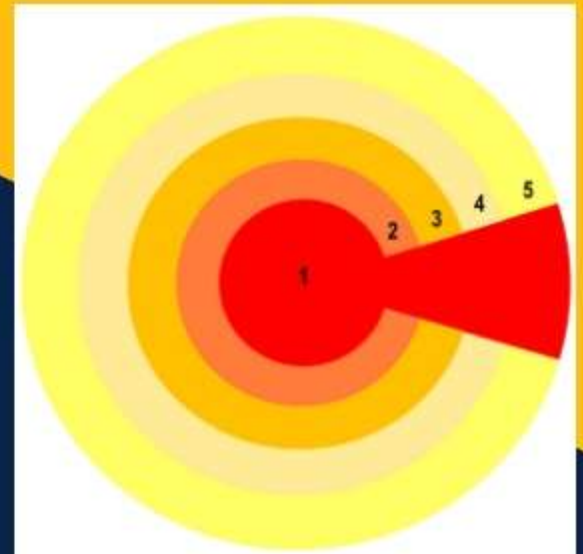

ENROLL AT ADNI PRE-UNIVERSITY TODAY!

FIVE CURRICULA OF INTEGRATED HOLISTIC EDUCATION SYSTEM

At Adni Pre-University, we believe in education beyond textbooks and examinations. Our holistic education plan consist of five curricula; the core curriculum, co-curriculum, extra curriculum, national curriculum and international curriculum.

Our core curriculum, which is compulsory for all students, focuses on educating students regarding the Qu'ran and Sunnah.

KEY	CURRICULUM	DESCRIPTIVE
1	Core Curriculum	Curriculum encompasses of Al-Quran & Sunnah using the Quranic Generation Development Program (QGDP).
2	Co-Curriculum	Curriculum designed to compliment the formal education though informal and non-formal educational processes.
3	Extra-Curriculum	Curriculum designed to give emphases on the social and humanitarian potential of students
4	National Curriculum	Curriculum based and tailored to meet standards set by Ministry of Education within the country
5	International Curriculum	Curriculum based and tailored to meet standards set by International Assessment / Examination Boards

"REALISING YOUR GOAL
& DETERMINING YOUR
ROLE IN LIFE"
