GREENVIEW ISLAMIC SCHOOL
Thinking and Caring Global Citizens

OUR GOAL AND MISSION

In Greenview Islamic School, we inspire our students to have the want to learn. Through positive reinforcement learning, we help our students develop self-discipline so that they are able to take responsibility over their own school work, studies and personal development.

ACADEMIC CURRICULUM

Greenview students learn and master three languages; English, Bahasa Malaysia and Arabic. The medium of instruction is English and all students are expected to converse only in English.

As a registered Cambridge centre for the Checkpoint exams, academic subjects follow the curriculum set by the Cambridge International Examinations (CIE) Board. Students in Year 6 and Year 9 sit for the Cambridge Checkpoint Examinations and the IGCSE in Year 11*. All Cambridge examination papers are prepared and marked by Cambridge examiners in England.

*Greenview Islamic students are currently sitting as private candidates for IGCSE examinations at the British Council or other approved IGCSE centres
