

CURRICULUM FEATURES

ACTIVE LEARNING

Highly engaging pedagogies inspire students to a higher level of learning. Student-centred approaches through play, experiential and technology-based learning, ensure a purposeful yet fun learning environment.

BALANCED CURRICULUM

A religious curriculum that complements the iGCSE and other elective modules that shape the learner to be multi-disciplinary in outlook at the same time developing a capacity to appreciate and embrace cross-cultural diversity.

CHARACTER DEVELOPMENT

A philosophy of education that aims to develop students to be servants to Humanity that demands nothing less than an authentic service-learning program reinforced by a team who are excellent role-models.

HOLISTIC EDUCATION

With a mission of developing the whole child and recognizing the different intrinsic intelligences of each individual, the learning process targets the child physical, cognitive, emotional and social development through the academics, sports and aesthetics engagements.

21ST CENTURY SKILLS

The acquisition of a comprehensive set of skills and habits relevant and critical to the Information Age that goes beyond just digital literacy, but encompassing critical thinking, problem solving and global awareness.

ABOUT OUR SCHOOL

AIU International School is located at the prestigious Complex of Sharifah Rokiah, Center for Knowledge in Alor Setar, Kedah. The complex is an epitome of educational excellence where learning spaces are designed to provide a conducive environment for optimal teaching and learning. The premises is also equipped with state of the art teaching aids and ancillary facilities to enhance academic, sports and aesthetics engagements with the students.

MISSION

For God, For Humanity. It's a mission that we take seriously. It's a partnership between an institution renowned for its charity work and another for its educational excellence. God willing, the synergy between these institutions will provide for an educational experience that is second to none. Most importantly, it's done with a philosophy of developing Vicegerents to serve Humanity.

- * A progressive model of Islam
- * Social inclusivity between Muslims and others
- * Bridge the gap between the have and have-nots
- * Global experience with international outlook
- * Core programs of serving Humanity
- * Melting pot of diverse culture and experiences

THE AIUIS MODEL

INTERNATIONAL CURRICULUM

AIUIS adopts the Cambridge iGCSE international curriculum to develop world-ready individuals.

GLOBAL EXPERIENCE

Exchange programs with premier schools in the region will provide students with a global outlook and a head start in developing regional ties.

LEADERSHIP DEVELOPMENT

AIUIS is specifically set up to develop more individuals who put others before self as they serve humanity.

ADVANCED PEDAGOGIES

AIUIS aspires to be a 21st century school that optimises technologically advanced pedagogies in the classrooms.

EDUCATION BEST PRACTICES

Best practices from Albukhary International University and renown education institution form the building block of AIUIS.
