## BURSARIES AND SCHOLARSHIPS

### Bursaries for Continuing HIS Students

All students who have completed their IGCSE programme (Year 11) at HIS will receive an automatic 30% bursary on their tuition fees equivalent to RM15,000.

### The Asian Scholars Leadership Award Scholarships

These scholarships are awarded to students who have demonstrated exceptional leadership potential. Criteria include:

- a record of service to school and community
- leadership potential as evidenced by leadership roles, projects directed and other positive values

### The Asian Scholars Academic Award Scholarships

These scholarships are awarded to students who have demonstrated exceptional academic potential in the attainment of their IGCSE / equivalent results. Scholarship amount will be based on the aggregate score of A\* and A as stated below:  
A\* = 2 points      A = 1 point

**Note:** Students are allowed to hold multiple scholarships and bursaries. HIS students can use their mock IGCSE results to secure 50% of the scholarship amount while waiting for their actual IGCSE results.

8	10,000
7	9,000
6	8,000
5	7,000

# HELP'S TRADITION OF EXCELLENCE

Since its inception in 2014, HELP International School has enabled many students not only to secure places to study in world-class universities, but also empowered them to explore opportunities beyond the classroom. The rigour of the A-Level curriculum, coupled with the vibrant leadership programme, nurture socially-conscious individuals with character and integrity, ready for the workplace and its challenges in the 21st century.

### Mr Matthew Marson, Deputy Principal, Curriculum and Innovation

BA Business Management (Hons) (UK), QTS, Apple Distinguished Educator  
 "The school recruits the highest quality A-Level teachers. All the teachers have a proven track record in helping students to reach their potential and achieve top grades."

### Mr Paul Lau, Assistant Principal, Secondary and A-Level

B Applied Science (Hons) (USM), Cambridge International Certificate for Teaching and Learning

"Our students have numerous opportunities to take on leadership roles in and outside of school through internships, volunteering and mentoring. All students are invited to participate in the Duke of Edinburgh's International Award, ensuring holistic approach to student development."

### Dr Felicia Paulraj, Year 12 Coordinator and Biology Teacher

B.Sc. Biomedical Science, University of Adelaide, Australia  
 B.Sc. (Hons) Medical Biosciences, Monash University in Malaysia  
 PhD Medicine (focusing on cancer research), Monash University in Malaysia

"Our unique A-Level programme – small class sizes, one-on-one coaching as well as our leadership programme, helps prepare our students for the rigour of university and life as a young adult."

# THE ASIAN SCHOLARS A-LEVEL LEADERSHIP PROGRAMME

The Asian Scholars Leadership Programme provides our A-Level students the opportunity to develop into well-rounded and truly exceptional leaders who will have an impact in their respective field.

## The Scholarly Leader

- to be constructive leaders and be engaged in discussion and discourse
- to research and improvise to improve thoughts and ideas

## The Compassionate Leader

- to be empathetic towards others
- to fulfil the needs within our society

## The Leader-Ambassador

- to be an ambassador for peace, justice and rights
- to mediate and resolve conflicts

## The Refined Leader

- to be cultured and graceful
- to appreciate and respect cultures and beliefs

## The Leader-Sportsperson

- to live a healthy lifestyle
- to appreciate and practise sports actively

## The Enterprising Leader

- to see and create opportunities for enterprise
- to create resources with innovation

## The Duke of Edinburgh's International Award

All A-Level students have the opportunity to take part in the Duke of Edinburgh's International Award. The Award is a world-renowned structured youth development programme designed to help young people explore their full potential.

“One of the greatest things about HIS is their Leadership Programme. I have learnt so much about myself in a short time. The most meaningful experience for me was teaching the refugee children. I learnt the true impact of education and of giving those in need a hand up, not handout.”

**Loh Rachel**, HIS Head Girl (2014/15), Chairperson of HIS Model United Nations. After graduating from HIS, while completing her Psychology degree at HELP University (Scholarship), Rachel co-founded Rice Inc, a global social enterprise that empowers farmers and reduces rice wastage. Rice Inc won the UN Global Hult Prize and received a Norman Borlaug grant of USD 1 million and to kick start its project. Rachel was also the Global Champion of the Maybank Go Ahead Challenge out of 40,000 students worldwide and got into Maybank Apprentice Programme in New York. She was recently selected to represent Malaysia at the Telenor Youth Forum, in collaboration with Nobel Peace, to develop digital solutions to reduce global inequalities.
