Future Made since 1821

“For nearly 200 years our education and innovative research has had a profound social impact on a global scale. A pioneer in bringing education to working people, Heriot-Watt was founded as the world’s first Mechanics Institute. Today that ethos underpins the industry informed education that gives our students the drive to hit the ground running and be FutureMade for the career of their choice.

The research we do here shapes our teaching and learning and creates strong connections with global business and industry. Our aim is to connect you to people and career opportunities across the world through our international campus locations and our 140,000 alumni in 190 countries. We have outstanding facilities for our student community evidenced in being ranked 3rd in the UK for investment in student facilities by The Complete University Guide 2020.”

FutureMade

in Malaysia

“Choosing a university to further your studies is one of the most exciting and important choices that you will make. It is the first step towards joining a community that you will be part of for life.

We believe that the university experience is not only about acquiring a degree. To ensure that our graduates are fit for the future in the age of the Fourth Industrial Revolution, where technology is reshaping economies and disrupting jobs, the holistic human development is essential. That is why we support our students in building emotional and social capabilities in order to be successful and have a world-class professional career.

I am confident that Heriot-Watt University is the right choice for you to realise your ambition.

I look forward to welcome you personally into our global community.

Story

“I chose Heriot-Watt because of the opportunity to travel as well as the University’s reputation and ranking at the time of my application. As for Malaysia, I love the experience. It has been life-changing. I have made friends for life from being here, and travelled to a part of the world that I have never been before. All of this will benefit me hugely both in my personal life and my work life. I cannot recommend grasping this opportunity with both hands enough.”

Reputation and Rankings

Heriot-Watt is valued for excellence in teaching and research. We are ranked 35th in the UK and 8th in Scotland for Overall Satisfaction (2019 UK National Student Survey) and in the top 10 in the UK and first in Scotland for research impact (REF 2014). We aim to find radical innovations and solutions to real-world challenges for the benefit of society.

Global companies actively seek out our graduates as they are FutureMade. That is 'ready-made' for the world, ready to hit the ground running, whatever path they choose. Our programmes are designed to ensure students receive a relevant, career-orientated education. As a result, more than 90% of our graduate students are in graduate-level jobs or further study six months after completing their programme.

We will bring you into contact with leading researchers who are working on some of the most important areas for twenty-first-century society. Over 80% of academic staff are currently engaged in research at internationally recognised levels, delivering research as diverse as providing greater equality for deaf people, helping to manage risk in the insurance industry and enhancing oil extraction from the North Sea. As part of our community you will benefit from an environment focused on making a real and lasting contribution to issues that matter, and discover opportunities to make your own impact.

Why Heriot-Watt Malaysia

Whether you are a Malaysian or are travelling from abroad our purpose-built campus in Putrajaya has something to offer for every aspiring graduate.

A FANTASTIC CENTRAL LOCATION

Heriot-Watt University Malaysia's campus is based in the modern garden-city of Putrajaya just 25km south of Malaysia's capital Kuala Lumpur. Putrajaya is a growing, dynamic city and its proximity allows easy access to the extensive cultural, leisure and retail amenities of the buzzing metropolis.

MALAYSIA'S FIRST GREEN CAMPUS

Heriot-Watt University Malaysia's purpose-built campus opened to students in Putrajaya in September 2014 and the formal launch took place on 12 February 2015. The £35m campus sits on 4.8 acres in a stunning lakeside location providing exceptional educational facilities in an excellent environment, close to the Putrajaya marina

and its modern leisure and sports facilities. This is a fantastic green area, part of Putrajaya Lake's 'green continuum', of which building design is a conscious reference.

A GREEN ROOF TO MATCH

The 'green campus' is remarkable for having the first living grass roof of its kind in Malaysia. At 300 metres long and 30 metres wide, it is the most recognisably sustainable feature of the campus. The roof shades the naturally ventilated spaces below, reduces thermal transmittance, and acts as an observation deck, accessible by glass lift. Other environmentally friendly, passive design features include campus lighting 'powered' by the maximum use of natural daylight, a rainwater harvesting system and optimised air-conditioning and thermal control systems.

Your Future Made at Edinburgh Business School

“When joining our School and Heriot-Watt University, you join a network of industry professionals, top academics and people driven to succeed. We are here to prepare you to enter competitive job markets, excel professionally or even start a new business.

Professor Heather McGregor, Executive Dean,
Edinburgh Business School

No two people are the same: different circumstances, motivations, visions of success. That's why we offer learning experiences that are equally unique.

While continuing to deliver our well-established MBA, Masters, pre-doctoral, DBA and PhD programmes, we have joined forces with Heriot-Watt's School of Social Sciences, allowing us to expand our business management education offering to include a full suite of undergraduate and postgraduate degree programmes.

Now our students gain access to even more of the world's top lecturers and researchers: industry-experienced minds pushing boundaries in their field of expertise – encouraging curiosity, ambition and boldness to challenge convention.

Through learning we see the world in new ways. It makes us brave in the face of challenges, providing the knowledge, skills and experience to step up. When we feel brave we take decisive action, and use our knowledge to shape a fairer, more sustainable and joined up world.

At Edinburgh Business School, we contribute to that vision by giving everyone the chance to pursue their dreams on their own terms. You can take intellectual risks, rising up to lead the way in the things that matter for tomorrow's world.

OVERVIEW

Our Foundation Programme consists of three semesters. Students who have completed their Sijil Peperiksaan Malaysia (SPM), or IGCSE, or the equivalent level of studies, can choose:

- **Foundation in Science**
- **Foundation in Business**
- **Foundation in Business (Actuarial Science route)**
- **Foundation in Business (Psychology route).**

COURSES

All the courses taught are designed to relate directly to your choice of undergraduate degree programme.

You will learn to use English effectively to perform a variety of academic tasks, such as delivering oral presentations, managing group discussions, conducting research, and writing essays. You will also be exposed to a range of study skills essential to succeed at university.

ASSESSMENT

You will be assessed regularly throughout the programme to ensure your progress is on track to meet the requirements for transfer to your chosen degree programme. Your development is monitored through continuous assessments and a final examination.

ADMISSIONS NOTE

Please note that entry to BSc (Hons) Actuarial Science and BSc (Hons) Statistical Data Science requires an A in Mathematics in the Foundation programme. If this standard is not achieved, there are options to progress to a range of business degrees subject to entry requirements.

Foundation in Science students also have the option to progress to business or building related degrees.

Developing Resilient Graduates

The advent of the 4th Industrial Revolution has seen the creation of great innovations and the advancement of technology, but it has also created challenges for humankind and in particular our youth.

Heriot-Watt University is aware of the challenges the youth of today face in terms of maintaining a healthy mind-set, managing stress as well as develop meaningful social relationships in a landscape that has also become increasingly digitised. The university is no stranger to pioneering the global educational landscape with world-class programmes enhanced with a unique Positive Education approach.

With Positive Education, focus is also directed at the development of students' emotional intelligence as they are taught coping strategies in managing their time effectively, cultivating a positive mindset, and developing self-confidence, interpersonal and communication skills and a sense purpose.

At Heriot-Watt University Malaysia, we empower our students to be successful in their studies in terms of guidance and teaching methodology, in an environment engineered to facilitate their holistic growth from the Foundation level right up through their Undergraduate degree.

Youth Transformation Programme (YTP)

Specially created for post-secondary school students, the Youth Transformation Programme has been designed to support every student to their realise their full potential.

Students are encouraged to engage in a positive transformation by focusing on developing their emotional intelligence, creativity, understanding their own personalities, their strengths and weaknesses, and developing a long-term vision and mission. This is done by setting realistic SMART goals through engaging and interesting activities. Using a proven emotional intelligence framework, and engaging activities focusing on expressing positive emotions such as empathy and gratitude, students are taught self-awareness, self-management, social awareness and relationship management.

On completion of the YTP, students will develop a strong sense of self-confidence, ability to express their emotions in a positive way, and be able to relate comfortably to their peers and

better manage their relationship with friends and family, providing a smooth transition and preparing them for the challenges of University studies.

The YTP is open to students who have achieved a minimum of 5C's in relevant subjects in SPM, IGCSE or equivalent. The programme objectives are:

- Develop your own Vision and Mission
- Collaborate effectively to accomplish a project
- Identify your strengths, passion and potential
- Discover your study and career pathway

The following are some of the workshops under the YTP:

- The Successful Mind-set
- Ace It with Communication
- Creativity and Innovation
- Team Dynamics
- Emotional Intelligence
- Rewiring Your Brain
- Knowing Me, Myself and I
- Career Planning
- Project Showcase

EmPOWER Programme

The EmPOWER Programme is a 4-level structured programme anchored by six developmental domains. These are designed to deliver experiential learning opportunities that provide a lifelong foundation for building emotional intelligence, resilience, and happiness.

We engage students in advanced personalised and self-driven developmental activities to give them a competitive advantage, enabling them to achieve their full potential when they graduate.

The first level, known as Watt Level of the EmPOWER Programme is compulsory for all students and will be offered in their first year of undergraduate degree studies. Watt Level focuses on Leading Self and Defining Impact and is delivered through POWER talk sessions conducted by a panel of experienced POWER speakers. The other three levels (Kilowatt, Megawatt and Gigawatt) are achieved through a more personalised approach developed by students with their Personal Tutors.

Careers Advisory Service (CAS)

Our award-winning Careers Advisory Service provides one of the most extensive and comprehensive careers education and professional development programmes of any higher education institution in the UK.

Heriot-Watt students and graduates benefit from professional, impartial and confidential careers advice and guidance from specialist Careers Advisers who focus on specific subject areas related to the University's academic disciplines.

Their office is always open to assist students about making informed career choices, managing their future career development, accessing opportunities to develop the skills employers demand and achieve their goals. They also organise a range of skills development workshops and a series of careers fairs and employer presentations where you can network directly with graduate recruiters.

They are also on-hand to help if students:

- are unsure about their plans and how to make decisions
- want help with application forms or their CV
- need to know more about where and how to look for jobs
- want information or advice on postgraduate study
- need to practice their interview techniques

CAS also supports students and graduates by bringing job opportunities through TargetConnect, a platform available exclusively for students and graduates.

What I enjoyed the most at Heriot-Watt is the way class is conducted. The practical session of the course allows me to experience for the real world job in the future. I think that this is very important, as what one may learn from a book may not be comprehensive enough for us to fully understand a concept.”

BEng (Hons) / MEng

Intake:	September, January
Duration:	Full-time, 3 or 4 years
Fees:	See website for details: www.hw.edu.my/fees
Programme:	BEng: KPT/JPS (R/524/6/0029) (FA4097) 01/24 MEng: KPT/JPS (R/524/6/0041) (FA4097) 11/26

ACCREDITATION

This programme is accredited by the Malaysian Qualifications Agency (MQA). It is intended that accreditation by the Institution of Chemical Engineers (IChemE) will be sought in 2020. The programme is also currently under review for full accreditation by the Engineering Accreditation Council Malaysia (EAC).

Our degrees are offered as 3 year BEng (Bachelor of Engineering) or 4 year MEng (Master of Engineering) qualifications. Our MEng qualification is designed to satisfy the academic requirements set by the Engineering Council UK for registration as a Chartered Engineer (CEng).

Chartered Engineers enjoy excellent prospects, enhanced employability and high salaries. If you prefer to graduate with a BEng after 3 years of study your degree will provide partial fulfilment of the necessary academic requirements for Chartered Engineer status.

For registration by Board of Engineers Malaysia (BEM) the four year undergraduate MEng programme plus a summer industrial placement is required. In addition, relevant work experience is required for membership of the Institution of Chemical Engineers in the UK.

CORE COURSES

YEAR 1 BEng and MEng

- Process Industries C • Process Engineering A
- Chemical Thermodynamics and Introductory Chemical Kinetics • Mathematics for Engineers and Scientists 3 • Process Engineering B

- Process Engineering C • Process Design A
- Mathematics for Engineers and Scientists 4

YEAR 2 BEng and MEng

- Separation Processes A • Business Awareness, Safety and Sustainability • Chemical Reaction Engineering • Chemistry of Materials for Chemical Engineers • Separation Processes B • Multiphase Thermodynamics • Process Modelling and Control • Process Design B

YEAR 3 BEng and MEng

- Unit Operations A • Sustainability, Health and Safety • Energy Generation and Utilisation • Reaction Engineering

YEAR 3 (BEng only)

- BEng Design Project A • BEng Research Project • BEng Design Project B • Oil and Gas Processing

YEAR 3 (MEng only)

- MEng Design Project A • FLAME Appraisal • MEng Design Project B • FLAME Development • Industrial Training • Fluid Transportation

Students undertake a compulsory industrial training placement.

YEAR 4 (MEng only)

- MEng Design Project C • MEng Research Project C • Professional and Industrial Studies • Unit Operations B • MEng Design Project D • MEng Research Project D • Advanced Chemical Engineering • Oil and Gas Processing • Process Intensification

Students take a total of 8 courses per year. For full details of the optional and elective courses please refer to our website.

MEng CHEMICAL ENGINEERING

BEng students who meet the progression requirements for the MEng programme may transfer programmes at the end of Year 2.

ACCREDITATION

This programme is accredited by the Malaysian Qualifications Agency (MQA). Our degrees are offered as 3 year BEng (Bachelor of Engineering) or 4 year MEng (Master of Engineering) qualifications. Our MEng qualification is designed to satisfy the academic requirements set by the Engineering Council UK for registration as a Chartered Engineer (CEng). It is also currently under review for full accreditation by the Engineering Accreditation Council Malaysia (EAC).

Chartered Engineers enjoy excellent prospects, enhanced employability and high salaries. If you prefer to graduate with a BEng after 3 years of study your degree will provide partial fulfilment of the necessary academic requirements for Chartered Engineer Status.

For registration by the Board of Engineers Malaysia (BEM) the four year undergraduate MEng programme is required plus a summer industrial placement.

CORE COURSES

YEAR 1 BEng and MEng

- Circuits and Analysis
- Digital Design and Programming
- Mathematics for Engineers and Scientists 3
- Business Awareness, Safety and Sustainability
- Mathematics for Engineers and Scientists 4
- Intro Electricity and Magnetism
- Electrical Power and Machines
- Computer Architecture and Embedded Systems

YEAR 2 BEng and MEng

- Semiconductor Electronics
- System Project
- Engineering Mathematics and Statistics
- Time Frequency and Signal Analysis
- Signals and Systems
- Electrical Energy Systems
- Electromagnetism

YEAR 3 (BEng only)

- BEng Project 1
- BEng Project 2

Plus three optional courses in Semester 1 and two optional courses in Semester 2

YEAR 3 (MEng only)

- MEng Group Project 1

GCSE/IGCSE	C	B	A	A
UEC	B4	B3	A2	A2
TOEFL IBT	70	80	90	90

In order to study effectively at Heriot-Watt, you need excellent English language skills. For those who need assistance, and do not meet the English entry requirements above, Heriot-Watt University Malaysia provides a Pre-Sessional English Programme (PSEP).

Pre-Sessional English Programme English Requirements		
Qualifications	Minimum requirements	
	Intermediate	Lower Intermediate
IELTS	5.0	4.5
Cambridge	155-161	147-154
Pearson PTE Academic	36-50	29-35
TOEFL	44-56	32-43

This course is designed for students who need to raise the level of English to effectively participate in an academic setting. After the completion of their programme, students who do not meet the university/programme requirement will need to take an external English test (IELTS/PTE/TOEFL) to proceed to their chosen programme of study at Heriot-Watt University Malaysia.

Course structure: 10 weeks/20 hours a week. Assessment will be 60% exam and 40% coursework.

Depending on your level of English, you will enter into one or both levels:

- **Lower Intermediate level:** January and April (For entry into April or July Foundation intakes) (N/KJP/00177)
- **Intermediate level:** June and October (For entry into September or January degree intakes) (N/KJP/00178)

HARDSHIP SCHOLARSHIPS

Students with excellent academic results who demonstrate financial need are eligible to apply for hardship scholarships at Heriot-Watt University Malaysia.

These scholarships are valued at 50% or 100% of the tuition fee.

MERIT SCHOLARSHIPS

The University offers a number of merit scholarships of up to 35% of tuition fees to recognise high achieving students.

HERIOT-WATT CORPORATE PARTNERSHIP POSTGRADUATE BURSARY

The Heriot-Watt Corporate Postgraduate Partnership Bursary is a concession package for students who are applying to our postgraduate programmes in a group of more than one from the same company. This is applicable for local, international, part-time or full-time students.

How does it work?

- Up to three employees from the same organisation enrolling for any postgraduate programme within the same intake will be entitled to a 25% reduction in fees for all.
- four employees and above from the same organisation enrolling for any postgraduate programme within the same intake will each receive a 30% reduction in fees.

FAMILY DISCOUNT

(For Foundation, Undergraduate and Postgraduate Studies)

A discount of 10% is granted to children and/or a spouse of a Heriot-Watt University alumni who register for a programme of study at Heriot-Watt University Malaysia.

This discount is also granted to siblings of currently registered students of Heriot-Watt University Malaysia.

HERIOT-WATT ALUMNI WAIVER

(For Postgraduate Studies only)

A fee waiver of 20% is granted to Heriot-Watt University alumni who register for postgraduate programmes of study at Heriot-Watt University. This is awarded on receipt of documentary evidence of an undergraduate or postgraduate award from Heriot-Watt University.

PTPTN FUNDING

You can apply for PTPTN loans to supplement tuition fees at our campus provided that you are a Malaysian citizen pursuing full time undergraduate studies here.

APPLICATION ADVICE

We also support and advise students in the application of loans and grants. The Scholarship and Financial Aid Unit assists in providing certification for documents required for the application for EPF withdrawals, bank loans and more.

Sponsorships

Heriot-Watt University Malaysia forges many partnerships with industry to ensure that our programmes stay relevant to industry needs, as well as to open doors for our students to work with them.

The corporate organisations that we maintain close ties with give away generous scholarships for those who wish to pursue their studies at our University, with numerous benefits aside from providing partial or full scholarships. This can be in the form of job security, internships, or even additional living allowances.

Below is a list of the corporate organisations that provide scholarships for our programmes.

Applications for these scholarships may be directed through our Education Consultants via the Student Recruitment and Admissions unit, or you may need to apply directly to the organisations. You should read and understand the terms and conditions for each of the scholarships at the respective organisation's website below before applying for them.

THE WATT CLUB

Founded in 1854, The Watt Club is understood to be the oldest alumni association in the UK. Lifetime membership is automatic upon graduation from Heriot-Watt, and is free to all graduates of the University.

AN INTERNATIONAL ASSOCIATION

With several branches around the world, The Watt Club can help you keep in touch with Heriot-Watt alumni wherever your career takes you. We run a regular bulletin online which allows you to keep up with alumni worldwide and send our yearly magazine to graduates around the world.

A DISTINGUISHED HISTORY

We are proud of our distinguished history, which stretches back nearly 200 years. Our Watt Club Medal and Prize continue a tradition of awarding Heriot-Watt's most able students which has been part of the Club since its inception, and The Watt Club Council acts to ensure the voices of alumni continue to be heard for years to come.

EXCELLENT GRADUATE OPPORTUNITIES

We work to provide our alumni with opportunities throughout their lives through several initiatives including: a number of continuing professional development courses and networking opportunities through our Facebook and LinkedIn pages.

66

I love the international diversity of the University. I get to meet people from all walks of life as the University has a great mobility programme, allowing students from other countries to come here, and vice versa. This gives me great exposure on the global context in terms of culture and diversity.”

How to Apply

Heriot-Watt University Malaysia accepts applications all year round. Please follow one of the application routes below.

APPLY ONLINE

You can apply online for our programmes at bit.ly/HWUMApply. You must create an account to use the online application form. You don't have to complete the application in one session; you can save the information you have already entered and return to complete it at a later date. There is a help facility on each page of the online form.

SUPPORTING DOCUMENTS

Please remember to upload supporting documents so that we can make a decision on your application. This includes proof of English language proficiency and original or certified copies of academic transcripts.

Please refer to the supplemental item checklist on the Online Application form:

► <http://bit.ly/hwumaccount>

See website for details of fees:

► www.hw.edu.my/fees

RESPONSE TO YOUR APPLICATION

All applications will be carefully considered by our admissions team and one of the following three responses will be given:

Unconditional Offer: meaning that you have been accepted to the academic programme. You must accept the offer within two weeks of receipt.

Conditional Offer: meaning that you will be required to submit additional supporting documents or achieve further qualifications prior to acceptance to the programme.

Rejection: meaning that your application regrettably could not be accepted at this time.

We will reply to you by email. Please ensure that you provide us with the correct email address.

Student Clubs and Societies

Welcome from Heriot-Watt Student Association President.

“In Heriot-Watt University Malaysia, there is a strong, palpable bond between all the members of our community – from our students, all the way to our support staff. We are a community like no other – a family. As the Heriot-Watt University Malaysia Student Association (HWUMSA), we take pride in prioritising the wellbeing of our student population. We take great measures in ensuring that every aspect of our students’ wellbeing, from accommodation to mental health, is accounted and cared for. Mental health workshops and yoga classes are regular events on campus run by the Association.

With more than 50 clubs and societies, there are numerous ways students can get involved in our bustling community. Whether it’s by volunteering to tutor underprivileged children in rural developments, sweating it out rowing in the stunning Putrajaya Lake, or even jamming with members of the Music Club, there are many unique ways for students to express themselves to enrich their student experience. As HWUMSA, we continually seek to empower our clubs and societies, champion student rights while hosting diverse and impactful activities year-round. Our goal is to give you the means to have the best student experience while studying with us.”

Supporting You

The Student Service Centre provides support and advice for students throughout their studies.

STUDENT SERVICE CENTRE

Staff provide guidance on a range of administrative matters to ensure that students receive the right information. Main responsibilities include enrolment, administrative services, student records, examinations, amendments to registration, fee collections, timetables, room bookings, appeals, graduations and clarification on policies and procedures including campus transfers.

Information is available on the University's website and if you require further guidance on any student-related issues, please contact the Student Service Centre.

INTERNATIONAL STUDENTS

It can be daunting for international students who are leaving home for a new country. Our International Student Support Office (ISSO) is set up to assist international students accepted to study at Heriot-Watt University Malaysia, from student visa application to arrival at the University.

The ISSO lodges your student visa applications with Education Malaysia Global Services (EMGS) and helps you with all the questions you may have before your arrival. A representative from the ISSO will also meet you at the airport and check you into student accommodation.

A range of support departments are available to assist you throughout your studies. During orientation, new students will be introduced to each department and the services it provides.

COUNSELLING

Being a student can be a very positive experience but it can also bring a variety of challenges. We know that the pressures of studying and being in a new environment can impact on your relationships, finances and general wellbeing, and that this can sometimes feel overwhelming.

We can offer you counselling, support and information to help you deal with the difficulties you may face.

counsellinganddisability@hw.ac.uk

INFORMATION SERVICES

Staff at the library reception and helpdesk provide support to students on Information Services, which encompasses both IT and library services. New students will receive an induction to Information Services when they start at the University.

IT

Students are supported in their learning with IT facilities including industry relevant software and the Virtual Learning Environment (VLE). The VLE is a web-based integrated learning and teaching tool.

ITHelp@hw.ac.uk

LIBRARY

The library has been designed to cater for the different learning styles and preferences of students. Silent study rooms have been provided for individual study while group study and discussion areas are provided for collaborative learning. In addition, we have dedicated study spaces that are open 24 hours, 7 days a week. The selection of books and journals available in the library are updated throughout the academic year in response to requests from students and academic staff. All Heriot-Watt students, globally, receive access to nearly 50,000 electronic journals, more than 270 databases, and 71,000 e-books.

During the academic year, Power Hour workshops are offered at the library. These workshops are designed to enhance information literacy, study, research and IT skills.

CAREERS ADVISORY SERVICE

The Careers Advisory Service aims to help students identify their career goals and develop the skills required to gain employment. We provide careers information on a range of topics including applications, CVs, interview techniques, aptitude tests, internships and graduate occupations.

We assist students by providing opportunities for their internships, which are compulsory for certain programmes. Careers events will be organised during the academic year to introduce students to employers and provide networking and employment opportunities.

MYCareers@hw.ac.uk

Heriot-Watt students also have access to our careers website, which is managed by our UK campus and supported by local staff.

ACCOMMODATION

We want our students to be taken care of and student life to be as enjoyable as possible throughout their higher education journey. We coordinate, liaise and arrange our off-campus student accommodation with approved external service providers to ensure you have safe and suitable living arrangements and the best experience. Our accommodation choices are located in both Cyberjaya and Putrajaya, about 10-15 minutes drive from the campus.

A complimentary shuttle bus operates between the student residences and the campus and there is also easy access to public transportation.

Both accommodation has 24 hours security and each has a warden who is there to help you settle in and sort out any problems along the way.

For accommodation details and to apply please refer to the website:

STUDENT DEVELOPMENT

We offer a range of activities to help students settle into university life, make friends and feel part of a university community. We provide opportunities for students to develop important skills and gain valuable experience, in addition to those offered by our academic programmes. It all helps Heriot-Watt University in shaping the leaders of the future.

SPORT AND RECREATION

There are many sights to see and leisure opportunities in and around Kuala Lumpur and Putrajaya, where the many public parks provide excellent recreation and picnic spots for students.

In Putrajaya, a range of sports and recreation facilities are easily accessible and offer special rates or discounts to Heriot-Watt students. The sports complex in Precinct 18 has outdoor and indoor facilities, with many free of charge on weekdays. The water-sports complex at Precinct 6 boasts an Olympic-size swimming pool and other facilities. There is also an Extreme Challenge Park at Precinct 5 and Equestrian Club.

STUDENT CLUBS AND SOCIETIES

We encourage students to get involved in student activities. Student clubs and societies are a great way to meet new people and make friends with students from around the world. There are a number of clubs and societies which are actively seeking new student members. Clubs are run by students for students and are an excellent way to get involved and enrich your university life.

For more information about the latest student activities, clubs and associations, visit:

PUBLIC TRANSPORT

Public buses and the KLIA Express will bring you from Kuala Lumpur to Putrajaya Sentral, the main bus and express rail station at Putrajaya. From Putrajaya Sentral, you can hop on to the campus shuttle bus which will bring you to the campus and the student accommodation.

Frequently Asked Questions

Q **When can I apply to Heriot-Watt University Malaysia?**

A You can apply to the Malaysia Campus any time you like, as we have a rolling admissions system. There are deadlines before the start of each semester, however. Please contact us for more information.

Q **When will I receive my offer of study?**

A The Recruitment and Admissions Office will endeavour to contact you within 24 hours of receiving a completed application.

Q **Do I need proof of English language proficiency to apply?**

A If English is not your first language and you have not studied in English before (either at school or at a previous institution) then you must provide proof of English language proficiency. Each programme has its own requirements.

Q **Do you have multiple intakes?**

A Yes. September is our largest intake with all programmes that we offer starting then. We have a January intake for a limited number of undergraduate programmes. Our Foundation intake is in April, July and September.

Q Do you allow students to transfer from other universities and colleges?

A Yes. Provided that you have studied and passed the necessary subjects for our programmes, we will consider your application to transfer. Transcripts or mark sheets detailing previous education must be submitted at the time of applying.

Q Do I have to take an entrance test?

A No. Your application is assessed by your previously attained qualifications or the successful completion of the qualifications that you may be currently pursuing.

Q Do the programme fees include the programme materials and exam fees?

A The annual fees include all academic costs associated with completing your programme. Resit, transport, accommodation and visa fees/charges are additional, as is the application processing fee.

Q Is there a personal tutoring scheme?

A Yes. Each student is assigned to a member of the academic staff with whom they meet throughout the year.

Q Is there a careers service?

A Yes. We have a Careers Advisory Service that supports all students.

Q Will my degree certificate mention Malaysia?

A No. As students study British programmes regardless of the country in which they are based, all are awarded the same Heriot-Watt University certificate.

Q Do you offer internships?

A The university does not offer a formal placement programme as part of your degree. However, the Malaysia Campus has excellent links with local and international companies and assists students in finding suitable internships.

Q Are the programmes accredited?

A All programmes at the Malaysia Campus are accredited by the Malaysian Ministry of Education and Malaysian Qualifications Agency. Most are fully accredited, while some have partial accreditation until the first batch of students graduate. All graduates receive a British degree that is accredited by Royal Charter in the UK.

80%+

Research-led Education

Over 80% of academic staff are currently engaged in research at internationally recognised levels, delivering research as diverse as providing greater equality for deaf people, helping to manage risk in the insurance industry and enhancing oil extraction from the North Sea.

Real-world Education

Today, our communities of scholars come from across the world for a purpose: to deliver innovation and educational excellence in business, engineering, design and the physical, social and life sciences. A research-informed curriculum focuses on delivering practical solutions to real-world problems and creating solutions that have a positive impact on society worldwide.

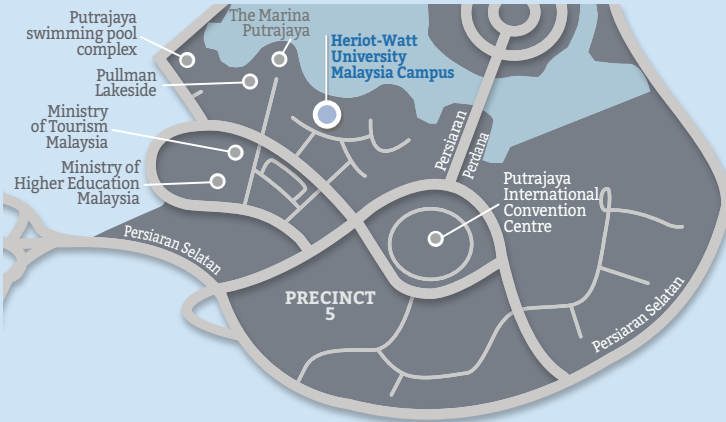

As a university keenly focused on delivering excellence in research, we have significantly contributed to the development of research pooling.

This initiative can enhance your studies and provide opportunities to meet people who can support your career aspirations. Providing collaborative opportunities for research and training across international universities creates an environment that is highly attractive to leading researchers around the world.

DISCLAIMER OF LIABILITY

Heriot-Watt University will make all reasonable efforts to deliver the programmes described in this prospectus.

Prospective students should be aware that it is occasionally necessary to modify, discontinue or combine programmes and/or make changes to entry requirements. This may be necessary for a number of reasons such as low enrolments, illness or departure of staff, industrial action or reduction of funding. The University does not provide education on a commercial basis, and is dependent on public and charitable funds which require the University to deploy its resources efficiently and rationally. Changes will only be made if the University reasonably considers it to be necessary.

If a programme is discontinued, the University will use reasonable endeavours to provide a suitable alternative and will take all reasonable steps to minimise disruption; allow a student to withdraw without penalty if a programme is cancelled or significantly varied, with an appropriate refund of tuition fees and deposits.
