

DIPLOMA IN PSYCHOLOGY

JPT/BPP(K)1000-600/WP1/100 Jld 2(21)

MASTER THE HUMAN MIND

Psychology is the scientific study of behaviour and mental processes, investigating why we do things, how we do them and how we relate to the environment around us. Students will be given a strong foundation in all the major approaches in psychology and its roles in modern society via a unique learning experience with our highly motivated teaching staff. This discipline's broad influence provides graduates with diverse career choices.

Self-actualize
