Universiti Kuala Lumpur is Malaysia's leading private university in engineering technology which aims to produce global enterprising professionals by providing a world class technical education and an enriching university experience. Since its inception on 20th August 2002, it has seen rapid expansion to be one of the universities of choice in Malaysia spearheading the generation of knowledge in higher technical, vocational education and training (HTVET).

UniKL at a Glance

With the concept of 'One Institute, One Specialisation' UniKL at present has 12 campuses strategically located all over Peninsular Malaysia, with its Chancellery situated in the heart of Kuala Lumpur. These 12 campuses are equipped with the state-of-the-art facilities emphasizing on applied and experiential learning reinforced by innovative research and global linkages with industries. Currently, UniKL offers 131 programmes from Foundations to Doctorate level.

Shape Your Future at UniKL

- INDUSTRY DRIVEN CURRICULUM**
139 programs offered at 12 campuses nationwide.
- EXPERT GUIDANCE**
Learn from renowned academicians and industrialists.
- STUDY OR WORK ONE SEMESTER ABROAD**
Close to 100 mobility universities and industry partners.
- PROFESSIONAL CERTIFICATION**
Embedded industry-recognised certification.
- MARKET READY GRADUATES**
Compulsory 6 months industry training for undergraduate students
- BUILD YOUR CAREER**
Join our network of alumni and industrial partners locally and abroad.

Off-campus or on-campus
Residences, you can get different types of residences to suite your budget and lifestyle, such as university dormitories, apartments, or in A private residences. Many of these places are also located within a walking distance or by public transport, thus students can conveniently get to the university campus in just a short span of time. The International Student Services will provide the support the students need on issues concerning residences. A number of options are available:

University Residences
On campus residence is available at all branch campuses of UniKL. It is very cheap to stay on campus, however all university housing are on quad sharing basis. If you prefer to stay on campus, please indicate in the UniKL acceptance form which will be sent together with offer letter.

Private Residences
Students can also choose to live off-campus. The International Students Services will assist students to find suitable private residences nearby the campus.
